

Dear Friends,

We would like to let you know about our 2009 sponsorship opportunities. This year we would like to expand our facility to include a flight aviary, which would be the only one of its kind in this area. This is essential to the rehabilitation of our local birds of prey if they are ever to be released back into the wild. The cost for this is approx \$50,000 and we are just getting started. Please help if you can.

Thank you for your support!

Sincerely,
Wes Laraway
President and Founder,
New York Wildlife Rescue Center
